

# Tudor & Renaissance Women Calendar 2018

Publication May 2017. £6.99

This month-at-a-view calendar highlights the women of Renaissance Europe, who came to the fore for the first time not just as queens and regents, but also influencing politics, natural philosophy and religion with the pen and the sword. This selection of pithy and insightful quotations brings their fortitude and wit to life. The eye-catching patterns are inspired by the designs of the formal knot gardens of the period.
