- Price £15.00

Introduction: The Tudor Book of Days introduction explains the purpose and use of the Book of Hours during the Tudor period.

Month planner: Important Tudor events are listed at the start of each month's planner, with useful reminder lists for you to complete. The planner also has space to add your own special notes of anniversaries, events and seasonal notes for the month.

Week planner: Space to add your own weekly and daily events and special notes of anniversaries and seasonal reminders are included for each week at a glance planner.

The *Tudor Book of Days* is a beautifully designed perpetual diary for keeping important dates, events and seasonal notes in a personal day book. The diary pages have a week in a double page spread and list important Tudor events by month and by day. The book has a section with biographical details of important Tudor figures. Space to add your own special notes of anniversaries, events and seasonal notes are included for each month and day.

The stunning cover design shows Tudor roses and flowers embroidered on a Chasuble (the outermost liturgical vestment worn by clergy for the celebration of the Eucharist). England, mid 16th century from the collections of the Victoria and Albert Museum, London.

The *Tudor Book of Days* is inspired by the Book of Hours, the prized possession of a Tudor person. Primarily a private devotional book, it listed holy days and hours for prayer, but was often used to record births and marriages, important events and festivals, or to write messages of affection between friends.

Cover image: © V&A Images/Alamy Stock Photo.

Personal details pages: Space to add your name and personal details, special dates and events.

Index of people and events: Brief biographical details of important Tudor men and women are listed here followed by details of noteworthy events.
